Statement of Serum Shampoo and Golden Silk Shampoo

We hereby confirm that Twin Lotus Co.LTD produces, marks, and distributes Serum Shampoo and Golden Silk shampoo in following volumes:

Serum Shampoo 40, 80, 200 ml, and Golden Silk 70,180 ml

Since 2015 year design of bottles for above indicated items were changed. Shampoos are available in bottles of new forms with different patterns of the packages. However volume of Shampoos remains the same. Thus, we guarantee that weight/volume written on packages correspond on information on label.

Considering within a control standard of volume (200 ml) and weight (204 g), and the new design bottles which are taller than the old design and the liquid shampoo was designed to fill-up to a certain level that clearly known to have a big neck space. The main reason of increasing the bottle height is to have the bottle looks as equally tall as with other brands on the supermarket shelves in Thailand. The space which can be seen against the light (half bottle empty, it is normal with the new packaging) and equal to standard quality.

Trade House Thai Co.LTD., located in Moscow, Russian Federation is only sole agent whom we have authorized to the exclusive right to conduct all business within the territory of Russia and Countries of United Custom Union. Serum and Golden Silk Shampoo/Conditioner exclusively supplied within the geographic areas of Russia, Kazakhstan, Belarus and Armenia according to the agreement made between company and Trade House Thai Co.LTD.
